Thank you to all the parents, families and staff for making my first two months here so great. It's been a difficult adjustment moving so far from home and learning a new job and you have made it a lot easier. For those of you who don't know, my office is upstairs and you are welcome anytime. My hours are M,W,F 8-4, T & Th—10-6. I look forward to getting to know all of you better as time goes on.

Reminders:

- * Although summer has returned for now, fall and cooler temperatures are coming. Please check your children's outerwear and remove any loose or hanging strings to avoid choking hazards on the playground.
- * Please ensure your child has at least one complete set of clothes in their cubby or backpack. We have a limited amount of clothing in case of accidents or getting really dirty on the playground, etc.
- * Drop off parents, etc must make contact with the RECEs in the rooms to ensure that they are aware your child is now the centre's responsibility. Please remember children other than the daycare kids are not to be on the playground until 8:45 when teacher supervision starts.
