

Sunnyside Garden Daycare Centre

January 2009

Welcome to the January edition of the Sunnyside Garden Daycare newsletter. We trust that everyone had an enjoyable holiday break. It is with great anticipation that we look forward to the New Year.

UPDATE

Window Replacement

The windows in rooms 104, 105, 106 and 206 are being replaced. In order to facilitate the replacement of these windows it may be necessary to make changes to the school age program. The daycare will inform families of any changes as soon as possible.

Available Spaces

Currently there are 7 available spaces in the school age program. There are also a couple of available spaces in the nursery school program. Should you or anyone you know need child care please do not hesitate to contact the daycare.

REMINDERS

Board of Directors Meeting

The next Board of Directors meeting will be on Monday, January 19th at 6:00pm in room 101. Child care (and dinner!) will be provided. Please inform Miss Judith should you plan on attending.

Winter Clothing

Please ensure that your child has warm winter clothing (hat, mitts, neck warmers, snow pants, boots, etc.) for outdoor play. Also, please ensure that your child also has appropriate shoes (e.g. running shoes) for gym and indoor activities.

Sign In and Sign Out

For safety reasons and in compliance with the Day Nurseries Act (DNA) it is important that you sign your child in and out of the program each day. The sign in and sign out binder for the school age program is located on the table in the front foyer and binders for the preschool and nursery school programs are located in parent information area in room 108.
