# September 2008

**Nothing you do for children is ever wasted. They seem not to notice us, hovering averting our eyes and they seldom offer thanks, but what we do for them is never wasted. When love and skill work together expect a masterpiece.**

Our children had a wonderful summer filled with exciting activities such as: Marineland, Petticoat Creek, Centreville, Science Frontiers, Bulldog Fitness, Mystic Drumz, and Daycare in house programming.

Thanks to all the staff at Sunnyside Garden Daycare Centre for making Summer Break 2008 so great and enjoyable.
