SPRING 2010 NEWSLETTER

Welcome to the spring edition of the Sunnyside Garden Daycare newsletter. We hope that everyone is in good health and taking advantage of the warmer weather.

NEWS FROM THE STAFF

Welcome back to Miss Renée who has returned after a year away on maternity leave.

On Wednesday, June 23rd the preschool program will have their graduation ceremony to celebrate the children's growth and accomplishments over the past year at daycare. Parents and families are welcome to attend. There will be plenty of photo opportunities so remember to bring your cameras!

The senior kindergarten children will be graduating to the school-age program July 2, 2010. The graduating children have already started to visit the school-age program and the feedback from many of the children and parents has been positive.

Summer is just around the corner and that means it's time to start gearing up for another exciting summer program! The teachers in both preschool and school-age programs are busy finalizing the summer calendars and will have them completed and distributed by the end of May.
