Application Policy: Parents/guardians are encouraged to visit the Centre before filling out an application form. Application to the Centre does not guarantee enrolment.

If a child not yet enrolled becomes too old for the program applied for (e.g. preschool room), the application is moved to be applicable for the program the child qualifies for (e.g. school-age room).

When a space becomes available, the Director or her designate will call parents/guardians to inform them of the available space and give them two days (i.e. 48 hours) to make a decision. In the instance when a voice message is left, parents/guardians are provided two days (i.e. 48 hours) to return the call and then an additional two days (i.e. 48 hours) to make a decision.
